GRUNGY PAPER TEXTURE EFFECT

Follow these simple steps to get started:

1. Open the .psd file with Adobe Photoshop (minimum version required: CS4)

2. On the Layers palette locate the smart layer named "Your Design Here". Double click on layer thumbnail to open the smart object container.

3. You will find a placeholder design used for demonstration. Hide or delete the placeholder design, then drag & drop your own design in place.

4. Save and enjoy!

Tip: The background is using the Color Overlay effect. Just double click "Color Overlay" to change color.
